Palmer VC serves on national health panel

One provision in the nation's new health law, the Patient Protection and Affordable Care Act of 2010, authorizes the creation of an autonomous, non-governmental Patient-Centered Outcomes Research Institute, or PCORI. Last fall,

Dr. Christine Goertz, vice chancellor for research and health policy at Palmer College of Chiropractic, was appointed to the Board of Governors of

PCORI. Dr. Goertz is the featured speaker at our June 8 meeting.

The purpose of PCORI "to assist patients, clinicians, purchasers and policy-makers in making informed health decisions by advancing the quality and relevance of evidence" regarding the prevention, treatment, diagnosis and management of

diseases and health conditions, then disseminating those research findings. The 21-member Board of Governors includes the directors of the Agency for Healthcare Research and Quality, and the National Institutes of Health plus 19 members representing patients, healthcare providers, hospitals, drug makers, device manufacturers, insurers, payers, government officials and health experts. Dr. Goertz joined [Palmer College](#) in 2007 as executive director of the [Palmer Center for Chiropractic Research](#).

Schilligs hand out 2011 scholarships

At the June 1 meeting, **Dick and Juanita Schillig** presented the 23rd and 24th scholarships they have granted since founding "Run with Carl" and the scholarship program it funds.

Megan Hayes, a 2011 graduate of Bettendorf High School, will attend Coe College, Cedar Rapids, to pursue a degree in engineering. She is the daughter

of **Brad and Lora Hayes**, who accompanied her at the meeting.

The Pleasant Valley High School recipient of the RWC

scholarship is **Jenna McGee**, whose mother **Patricia** attended the presentation with her. Jenna has been accepted at Luther College, Decorah, where she will study communications. She plans to pursue a graduate degree in journalism.

Dick introduced the first PV graduate to receive a TWC scholarship, **Jeff Paul**, a teammate of Carl Schillig, who now teaches middle school history – and volunteers to work each year at the run.

Labor Day, Sept. 5, will be the 17th Run with Carl – for which Bettendorf Rotary is the title sponsor. Trinity Regional Health System is the presenting sponsor.

The event memorializes the life of Carl Schillig who was killed in a car-pedestrian accident in 1994. The Carl D. Schillig Memorial Fund each year gives a 4-year \$1,000 college scholarship to one graduate each of PV and BHS.
